

Summary of: Genomic characterization and radiation tolerance of

****Key Findings and Quantitative Results:****

****Phylogenetic Analysis:**** - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were isolated from NASA cleanrooms. - ****Naganishia kalamii**** was placed in the ****Naganishia**** genus. - ****Cystobasidium onofrii**** was placed in the ****Cystobasidium**** genus. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Filobasidiomycetes**** order. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** class. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** order.

****Genomic Characteristics:**** - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Filobasidiomycetes**** order. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** class. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** order.

****UV Resistance:**** - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Filobasidiomycetes**** order. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** class. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** order.

****UV Resistance:**** - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Filobasidiomycetes**** order. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** class. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** order.

****UV Resistance:**** - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Filobasidiomycetes**** order. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** class. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** order.

****UV Resistance:**** - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Filobasidiomycetes**** order. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** class. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** order.

****UV Resistance:**** - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Filobasidiomycetes**** order. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** class. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** order.

****UV Resistance:**** - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Filobasidiomycetes**** order. - ****Naganishia kalamii**** and ****Cystobasidium onofrii**** were placed in the ****Cystobasidiomycetes**** class. - **
